Hello 🙌 Traveler!

Welcome to this Ocean Gold Seafood. I am very thrilled to introduce you to OCEAN GOLD SEAFOOD, a renowned Processing Factory and Exporter of Frozen Seafood Products from Pakistan.

I am very excited to tell you all about our diverse range of frozen seafood products includes a wide variety of fish, shrimp, crabs, and other delectable marine delicacies.

Who We Are?

At OCEAN GOLD SEAFOOD, we have established ourselves as a leading name in the industry, specializing in the processing and export of high-quality frozen seafood.

We are committed to continuously enhance our food processing facilities. We are honored to inform you that we have our own network of fishing boats, who are skilled to provide fresh marine food stuffs.

Our Vision.

Our vision is to be a leading provider of sustainable and high-quality seafood products worldwide from Pakistan. We aim to achieve this through responsible sourcing, innovative processing techniques, and exceptional customer service.

As we continue to grow and expand, we remain dedicated to sustainability and responsible fishing practices. We understand the importance of preserving our oceans and marine life for future generations.

Our Processing Plants.

Our state-of-the-art plant is located in Karachi & Our partners at Ocean Fishery (thailand) Co. Ltd has new processing plant in Thailand which expand our list of products to give you.

We source high-quality seafood and use innovative technology to process and package frozen products. Sustainability is our top priority.

We continuously regulate and make changes to keep our Processing plant up to food industry standard of safety, hygiene and processing methods.

Our Products.

We are supplier of premium frozen seafood products from Pakistan. We offer a wide range of products, all expertly processed and flash-frozen for maximum freshness and flavor.

Our commitment to sustainability and quality ensure that our products are perfect for retail, distribution, and foodservice applications.
